

Voltage Magnitude Impact of Residential Electric Vehicle Charging: A Case Study in Cusco, Peru

Derian Carlos Tairo Garcia^a, Erick Alberto Somocurcio Holguin^a

^a*Department of Systems and Energy (DSE), School of Electrical and Computer Engineering (FEEC), State University of Campinas (UNICAMP), Campinas, São Paulo, Brazil*

Abstract

This is the abstract.

Keywords: electric vehicle charging, voltage magnitude, distribution grid

1. Introduction

Hello introduction!, first cite [1]

2. Methodology

Hello methodology!

3. Cases studies

Hello cases studies!

4. Results

Hello results!

Appendix A. Appendix

Hello appendix!
